

# Quality Healthcare Equipment for Hospitals

Sturdy as steel, lightweight, and easy to clean.

[www.ipu.com](http://www.ipu.com)

**INNOVATIVE PRODUCTS UNLIMITED INC**

An American Manufacturing Company

# Your Partner in Quality Health Care

Innovative Products Unlimited is the originator and leading manufacturer of quality PVC healthcare equipment. Since the introduction of their first shower chair in 1985, they have developed the most comprehensive PVC product line on the market. Engineered to be as sturdy as steel, lightweight and easy to clean, IPU products are an affordable alternative for the medical environs of today.

Together with a network of premier healthcare dealers throughout the country, IPU is dedicated to designing and delivering the highest quality products for your facility.

## Five Reasons to select IPU Equipment for your next purchase.

1

### The Highest Quality

IPU uses the best quality components to manufacture a line of healthcare products right here in the US. IPU introduced lightweight, furniture grade, easy-to-clean PVC to revolutionize the healthcare equipment industry.

2

### Longest Service Life

IPU's proprietary PVC compound and the design of its components guarantee outstanding longevity of its products even when exposed to the most demanding conditions.

3

### Proven Track Record

The healthcare industry obviously agrees and gives IPU the highest marks of customer satisfaction as well as an ever growing market share since IPU originated PVC healthcare equipment in 1985.

4

### Recognized Design Leader

Not only did IPU originate PVC healthcare equipment, it continues to innovate and create the leading designs in this competitive field.

5

### Custom Designs to Meet Your Facility Needs

Don't find right away what you need? The IPU design and engineering team, together with healthcare professionals, have been the undisputed leaders in creating products that make delivering healthcare easier and more comfortable. IPU's Custom Products Group can build just those special products – carts, hampers, chairs and MRI compatible equipment – to meet your special requirements.

# Isolation Stations

Stay ahead of MRSA. Developed in cooperation with leading hospitals.

IPU Isolation Stations offer spacious drawers for storage of isolation supplies, a top writing surface and backboards for mounting hand sanitizers and glove box holders – all on wheels to go anywhere in the facility.

- 4 superior single or dual-wheel casters (2 locking)
- Sunsure mesh skirt in yellow (shown), and 12 attractive colors

Colors for Sunsure Mesh

Model	Depth	Width	Height	Weight (lbs)	Size of pull-out drawer DxWxH
