Innovative Products Unlimited originated PVC healthcare equipment in 1984 and today continues to lead the industry, manufacturing more than two thirds of all PVC equipment in healthcare facilities throughout the US and more than 90% in European markets.

---

IPU uses only top quality materials; a proprietary blend of PVC, strong and durable fittings specifically designed for healthcare and fabrics chosen for appearance and longevity.

---

IPU creates the leading designs in PVC healthcare equipment. We will continue to be “innovative” in bringing to our customers the most functional and durable products on the market.

---

IPU surpasses all FDA compliance standards.
