Ordering Options
CW88

Features:

The Combo Walker can be used as a three-sided, stand-up walker with leaning pad. Lift the leaning pad and use the sling seat for resting. Excellent for use in gait training.

- Ambulatory residents can rest arms on padded platform for support
- For less mobile residents lift up padded platform and place it across the armrests to be fully surrounded
- Sling seat allows for rest stops
- Secure, anti-tip design
- Convenient safety strap
- Arms adjust to 7 heights
- Seven superior, dual-wheel casters (3 locking)
- 300 lbs. capacity
- IV pole available

Replacement Parts
